Why I became a Chaplain...
 I have a passion to help youth. To be a role model and give them ownership to make good choices and to give knowledge for their future in life.

As a Chaplain it is vital to promote the social, emotional and spiritual wellbeing of students. Which can be achieved by mentorship, pastoral care and structured programs.

How you can help.
 Without financial support, volunteer assistance community support & prayer I couldn't do what I do. If you can help... I need your help. Please go to www.suqld.org.au/donate to financially contribute or take a donor form... Or contact jeremyw@chappy.org.au if you can support in other ways.
